Mr. J. Lee Rankin, General Counsel
President's Commission
on the Assassination of President Kennedy
200 Maryland Avenue, N. E.
Washington, D. C. 20002

Dear Lee,

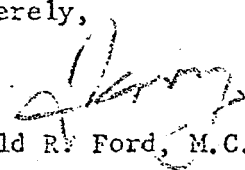

In a memorandum for members of the President's Commission dated January 11, 1964 the Chairman listed the statements and other material received from state and city officials in Texas.

I have never seen these documents and would like to have a set made available to me for my review. If you do not have duplicates of this material I would appreciate having the originals made available to me in my office for my perusal.

I am glad to note in the memorandum dated May 11, 1964 listing the proposed Commission witnesses and the proposed deposition witnesses that District Attorney Henry Wade is scheduled as a witness before the Commission. I feel it important for Mr. Wade to be prepared to give us the names of any other state and local witnesses who can be helpful in the Commission's investigation.

Warmest personal regards.

Sincerely,

Gerald R. Ford, M.C.
